

**TITLE 210. STATE DEPARTMENT OF EDUCATION
CHAPTER 30. SCHOOL FACILITIES AND TRANSPORTATION**

SUBCHAPTER 5. TRANSPORTATION

**210:30-5-1. District administration, operation and management of transportation
[AMENDED]**

~~(a) **Administration.** The local superintendent and local board of education shall be held responsible for applying ~~these~~ the regulations in this subchapter to all pupil transportation under their administration and supervision. In keeping with this responsibility, each local board of education shall examine and periodically review the school district's bus fleet liability insurance coverage and its tort liability insurance coverage to assure such coverages are coordinated to protect the interest of the students, general public, and school district.~~

Any school district maintaining a school may provide transportation with the approval of the State Board of Education.

~~(b) **Students.**~~

~~(1) A student must live in a school district authorized by law to furnish transportation.~~

~~(2) A student must live one and one half (1 1/2) miles or more by commonly traveled road from the school attended. Students living less than one and one half (1 1/2) miles from school may be transported, but shall not be counted in determining state aid.~~

~~(3) A normal school day consists of not less than six (6) hours, exclusive of lunch period, with the exception of the first and kindergarten grades. Transportation may be provided for kindergarten age students to and from school during the normally scheduled morning and evening bus operation. Districts desiring to provide additional transportation for kindergarten students at midday may do so at local district expense but it is not required.~~

~~(4) The local school district is responsible for providing transportation for an eligible special education student when transportation has been identified as "related service" necessary to enable the student to receive the educational services outlined in his/her Individualized Education Program (IEP).~~

~~(5) Students living in a school district not offering the grade which they are entitled to pursue are entitled to transportation to a school authorized by law to provide transportation to and from school provided they have been legally transferred and reside in the transportation area.~~

~~(e) **Activities.** All Oklahoma school districts shall develop policies and procedures authorizing transportation for extracurricular activities and community involvement purposes as authorized by 70 O.S. § 5-130.~~

~~(d) **Routes and boundaries.** All school bus routes shall be evaluated annually for safety and efficiency by the local school district supervisor of transportation or designee.~~

~~(1) **Boundaries.**~~

~~(A) A change in transportation area made after July 1, will not become effective until the next July 1, unless all boards of education affected agree to the proposed change.~~

~~(B) An elementary area that has been assigned to a high school transportation area may be changed to another high school transportation area by mutual agreement, in writing, by the three (3) boards of education affected and the approval of the State Board of Education.~~

~~(C) A part or all of an elementary school district that is isolated from the remainder of the school district's transportation area because of topography or previous annexations to another high school district, may be changed from one high school district's transportation area to another high school district's transportation area if the State Board of Education determines the change should be made on the basis of good administration.~~

~~(D) When a dependent school district is surrounded by an independent school district, that district must be designated as the transportation area for the high school students.~~

~~(E) An independent school district's transportation route may extend into a dependent school district's territory to pick up students whose grade is not offered in the dependent district.~~

~~(F) Upon mutual agreement of two (2) school districts, a school district may cross a portion of another district provided the doors of the school bus are kept closed.~~

~~(2) Petition for changing boundary lines.~~

~~(A) Seventy percent (70%) of the legal voters residing in a district who have children eligible to attend a public school (grades K through 12) or who have children under the age of five (5) may petition the State Board of Education for an election to change any part or all of a district from one transportation area to another.~~

~~(B) The State Board of Education will approve a convenient date for an election, supply ballots, and send a representative to assist with the election.~~

~~(C) If fifty one percent (51%) of all such legal voters in the district vote for the change, the election makes a good recommendation to the State Board of Education.~~

~~(3) Changing areas, high school districts discontinued. High school districts and/or elementary school districts that must be placed in one or more high school transportation area or areas because a high school has been discontinued may be placed in a transportation area or areas on the following basis:~~

~~(A) All or part of District "A" may be placed in the transportation area of high school District "B", whose transportation area is not adjacent to District "A", provided high school District "C", which has transportation area that separates District "A" from District "B" transportation area, appears to be in jeopardy of being discontinued itself, and provided the number of people in District "A", who want to be placed in the transportation area of District "B", justifies such an arrangement. People in District "A" requesting these arrangements to enable them to annex to District "B" will be given much more consideration than those desiring to transfer only.~~

~~(B) No portion of a school district that is adjacent to a high school district's transportation area, but is separated from the high school area by a natural barrier, will be placed in the high school district's transportation area unless or until there is a road connecting the two (2) areas that is maintained in a manner that will justify the operation of a school bus over the road across the barrier.~~

~~(e) School bus.~~

~~(1) Equipment.~~

~~(A) Transportation equipment used to transport ten (10) or more public school children at one time shall meet all the minimum standards required for Types A, B, C, and D buses.~~

~~(B) Vehicles having a seating capacity of fewer than (10) passengers, excluding the operator, are not required to meet the State minimum standards for school buses.~~

~~(2) School bus inspections.~~

~~(A) A driver shall perform a daily pre trip safety inspection of the vehicle. The inspection shall include brakes, lights, tires, exhaust system, gauges, windshield wipers, steering and fuel. The driver shall make a daily written report describing the condition of the bus and listing any deficiencies. This report is to remain on file with the local Chief Administrative Officer or designee for a period of ninety (90) days.~~

~~(B) A school district shall have each school bus mechanically inspected annually by an inspector approved by the Oklahoma State Department of Education.~~

~~(C) At least twice during each school year, each pupil who is transported in a school vehicle shall be instructed in safe riding practices, and participate in emergency evacuation drills. This instruction should be conducted during the first two weeks of each semester.~~

~~(3) School bus inspector qualifications.~~

~~(A) Any person licensed to inspect school buses by the Department of Public Safety under the Motor Vehicle Laws of Oklahoma prior to July 1, 2001, may be qualified to perform annual school bus inspections.~~

~~(B) Any person not meeting the qualifications as prescribed in (A) may be qualified to perform the annual school bus inspection by submitting proof to the Oklahoma State Department of Education that they meet the following qualifications:~~

~~(i) Two years experience as an automotive technician and certification by the Association for Automotive Service Excellence (ASE), or~~

~~(ii) Any person qualified to perform inspections under the Federal Motor Carrier Safety Act, appendix G.~~

~~(iii) Any person successfully completing an Inspector's Training Course approved by the Oklahoma State Department of Education.~~

~~(4) Standards and school bus specifications.~~

~~(A) The NATIONAL MINIMUM STANDARDS FOR SCHOOL BUSES applies to school bus construction and equipment. The Oklahoma State Board of Education has accepted the various methods bus manufacturers use to meet the requirements of these standards and all requirements under the Federal Motor Vehicle Safety Standards. (P.L. 89-563) The responsibility for compliance with Federal and State bus specifications rests with dealers and manufacturers.~~

~~(B) State Standards in addition to Federal Requirements also apply as follows:~~

~~(i) No school district may purchase any used or previously owned school bus unless the seller certifies prior to the sale, that the bus meets all safety standards and specifications for the date of manufacture of the used bus. Any school district that purchases a used or previously owned bus without the certification regarding compliance with standards shall forfeit their state transportation aid. The seller of any used or previously owned school bus shall certify to the local board of education that any such transportation equipment meets all Oklahoma and National Standards required for the date of its manufacture.~~

~~(ii) Church buses used for the purpose of transporting children to and from schools accredited by the State Department of Education shall be painted national school bus yellow.~~

~~(C) School districts that convert or have converted school buses to Liquefied Petroleum Gas (LPG) shall comply with safety standards prescribed by the National Fire Protection Association, Standard No. 58 (NFPA-58) and the Oklahoma Liquefied Petroleum Gas Administration. In order to insure safe installation and proper maintenance of equipment, all personnel must also meet the following existing requirements of the Oklahoma Liquefied Petroleum Gas Administration: "No person, firm, corporation, association, or other entity shall engage in the manufacturing, assembling, fabrication, installing, or selling of any system, container, or apparatus to be used in this State in or for the transportation, storing, dispensing, or utilization of LPG, nor shall any transporter, distributor, or retailer of LPG store, dispense and/or transport over the highways of this State any LPG for use in this State in any system, container, apparatus, or appliance without having first obtained a permit to do so as provided..."~~

~~(f) Special education.~~

(1) ~~Loading responsibility.~~ The local school district is responsible for the special education child from the time the student is loaded at the "home curb" until returned and unloaded at the "home curb". The parent or their designee is responsible for "door to curb", "curb to door", and "street crossing" of the child to the designated loading and unloading point.

(2) ~~Extended boundaries.~~ Based upon mutual agreement between two participating school districts, a school district offering special education classes may extend its transportation program to include the transportation of students qualifying for special education in an adjacent school district which does not offer special education classes.

~~(g) **School bus driver certification.**~~

~~(1) General criteria.~~

~~(A) No board of education shall have authority to enter into any written contract with a school bus driver who does not hold a valid certificate issued by the State Board of Education authorizing said bus driver to operate a school bus.~~

~~(B) The State Board of Education requires all public school bus drivers to complete a school bus drivers training course approved by the State Department of Education to obtain a standard certificate.~~

~~(C) All school bus drivers must have not less than 20/40 vision (Snellen) in each eye and not less than 20/40 vision (Snellen) with both eyes and a minimum field of vision of 70 degrees horizontal median vision in each eye.~~

~~(D) Any person with diabetes requiring insulin by injection shall not be eligible for a school bus certificate unless the individual possesses and maintains a diabetic/medical exemption from the Oklahoma Department of Public Safety (DPS) or the Federal Motor Carrier Safety Administration (FMCSA), and has met all physical examination requirements of sub-section (I) of this section. Upon hire, exempted individuals will be required to:~~

~~(i) Self monitor their current blood glucose level one (1) hour prior to driving and approximately every four (4) hours after that time while driving a school bus by using a portable glucose monitoring device with a computerized memory, and take corrective action if necessary;~~

~~(ii) Maintain blood glucose logs, three months from the current date (or the date that insulin use began, whichever is shorter). If the employing district has cause to require a medical evaluation as authorized by sub-section (G), logs maintained pursuant to this sub-section must be provided to the medical doctor (MD) or doctor of osteopathy (DO) treating the individual. Blood glucose logs must be created by an electronic blood glucose meter that stores every reading, records date and time of reading, and from which data can be downloaded and printed.~~

~~(iii) Carry a source of rapidly absorbable glucose at all times while operating a school bus; and~~

~~(iv) Be examined annually by an Oklahoma board certified medical doctor (MD) or doctor of osteopathy (DO) who attests in writing:~~

~~(I) The individual demonstrates and has demonstrated a willingness to monitor and manage his or her diabetes;~~

~~(II) The individual is not likely to suffer any diminution in his or her driving ability due to diabetes.~~

~~(E) Superintendents or their designees who hire individuals who hold a diabetes exemption certification must keep on file in a separate medical record:~~

~~(i) A current copy of the diabetes exemption certificate of the individual;~~

~~(ii) The contact information of the board certified medical doctor (MD) or doctor of osteopathy (DO) who is treating the individual;~~

~~(iii) Record of the annual medical certification issued by the board certified medical doctor (MD) or doctor of osteopathy (DO) pursuant to sub-section (D) of this section; and~~

~~(iv) Copies of any medical certifications obtained pursuant to sub-section (G) of this section.~~

~~(F) Superintendents or their designees shall not allow an individual holding a diabetes exemption certificate to drive if their blood glucose level is outside of a range of 100 mg/dl to 400 mg/dl one (1) hour prior to driving. If the individual's blood glucose level is below 100 mg/dl or above 400 mg/dl, then the operator cannot operate a school bus or transport school children as an employee of any school district until the blood glucose measure is within the target range.~~

~~(G) In the event an individual holding a diabetes exemption is involved in an incident directly caused by the individual's diabetic condition, the individual cannot operate a school bus or transport school children as an employee of any school district until the individual has been certified in writing as medically able to safely resume work related duties by the Oklahoma board certified medical doctor (MD) or doctor of osteopathy (DO) by whom they are being treated.~~

~~(H) The use of tobacco by a school bus driver is not permitted during the operation of the bus while hauling pupils. The use of any intoxicating or non-intoxicating alcoholic beverage by the driver eight (8) hours prior to or during the operation of a school bus is strictly prohibited. The use of any controlled dangerous substance seventy two (72) hours prior to or during the operation of a school bus is strictly prohibited. The possession of any controlled dangerous substance on a school bus is strictly prohibited.~~

~~(I) All school bus drivers shall have an annual health certificate signed by a physician licensed by this state filed in the office of the local Chief Administrative Officer or designee attesting that such physician has examined the applicant and that the applicant has no sign or symptoms of ill health, and is otherwise, from the observation of such physician, physically and mentally capable of safely operating a school bus. As an alternative to the annual physical examination requirements for school bus drivers, school districts may adopt a policy that utilizes a biannual physical examination, provided the examination is in compliance with the physical qualifications and examination requirements of the Federal Motor Carrier Safety Act, Subpart E 391.41 to 391.50.~~

~~(J) Substitute and activity school bus drivers shall meet all the requirements prescribed for regular bus drivers.~~

~~(K) At a minimum, the Chief Administrative Officer or designee shall conduct an annual driving record check of all school bus drivers, including substitute and activity drivers. The Oklahoma State Department of Education shall be immediately notified of any violation(s) that make a school bus driver ineligible to hold an Oklahoma School Bus Driver's Certificate.~~

~~(L) The State Board of Education shall revoke the license of any certificate holder who fails to comply with the provisions of this section.~~

~~(M) School districts who fail to comply with the provisions of this section shall be subject to penalty pursuant to OAC 210:30-5-2.~~

~~(2) Certificate requirements.~~

~~(A) The Chief Administrative Officer or designee shall certify to the State Department of Education that each applicant submitted for Standard Five Year Certification:~~

~~(i) Is at least 18 years of age.~~

~~(ii) Has successfully completed a special school bus drivers' course approved by the State Department of Education.~~

- ~~(iii) Holds a valid Commercial Drivers license (CDL) appropriate for the type of vehicle driven with the proper endorsements required by the Department of Public Safety.~~
- ~~(iv) Has not been convicted, plead guilty, or nolo contendere to a felony during the last ten years.~~
- ~~(v) Has passed a driving record check, and no certificate shall be issued to any person who, within the preceding three years:~~
 - ~~(I) Has had a license suspended or revoked, canceled or withdrawn pursuant to the Implied Consent Laws at 47 O.S. §751 et seq.~~
 - ~~(II) Has a conviction for a violation of 47 O.S. §11-902 which includes driving, operating or being in actual physical control of a vehicle while under the influence of alcohol or any intoxicating drug.~~
 - ~~(III) Has been convicted or plead guilty to a violation of 47 O.S. §761, operating a motor vehicle while impaired by consumption of alcohol.~~
 - ~~(IV) Has been convicted of any municipal violation of driving under the influence of alcohol or drugs or operating a motor vehicle while impaired or being in actual physical control of a motor vehicle while impaired.~~
 - ~~(V) Has had four or more traffic violations. (excluding parking violations)~~
- ~~(B) The Chief Administrative Officer or designee shall certify to the State Department of Education that the applicant for an Emergency One Year School Bus Driver Certificate (Not Renewable).~~
 - ~~(i) Is at least 18 years of age.~~
 - ~~(ii) Holds a valid Commercial Drivers License with the proper endorsements required by the Department of Public Safety.~~
- ~~(C) Requirements for Renewal of the Standard Five Year Certificate include:~~
 - ~~(i) Every five years, each driver shall have successfully completed 4 hours per year of inservice training approved by the State Department of Education.~~
 - ~~(ii) The local Chief Administrative Officer or designee shall certify to the State Department of Education that the applicant meets all requirements for standard certification, [47 O.S. § 15-109]~~
 - ~~(iii) Each applicant has a health certificate on file signed by a licensed physician and meets all vision requirements.~~
 - ~~(iv) Each applicant has not been convicted or plead guilty of a felony in the last ten years, and~~
 - ~~(v) A driving record has been checked and meets State Board of Education requirements for certification.~~

Agency Note: Subsections 210:30-5-1(b)-(g) shown as strikeouts in 210:30-5-1 are being amended and renumbered as 210:30-5-3 through 210:30-5-8.

210:30-5-3. Transportation of students [NEW]

- (a) A student must live in a school district authorized by law to furnish transportation.
- (b) A student must live one and one-half (1 1/2) miles or more by commonly traveled road from the school attended. Students living less than one and one-half (1 1/2) miles from school may be transported, but shall not be counted in determining state aid.
- (c) A normal school day consists of not less than six (6) hours, exclusive of lunch period, with the exception of the first and kindergarten grades. Transportation may be provided for kindergarten age students to and from school during the normally scheduled morning and

evening bus operation. Districts desiring to provide additional transportation for kindergarten students at midday may do so at local district expense but it is not required.

(4) The local school district is responsible for providing transportation for those students with disabilities identified under the Individuals with Disabilities Education Act (IDEA) for whom transportation has been identified as "related service" necessary to enable the students to receive the educational services outlined in their Individualized Education Programs (IEPs).

(5) Students living in a school district not offering the grade which they are entitled to pursue are entitled to transportation to a school authorized by law to provide transportation to and from school provided they have been legally transferred and reside in the high school transportation area of the school they choose to attend.

210:30-5-4. Transportation for school activities [NEW]

All Oklahoma school districts shall develop policies and procedures authorizing transportation for extracurricular activities and community involvement purposes as authorized by 70 O.S. § 5-130.

210:30-5-5. Transportation routes and boundaries [NEW]

(a) **Evaluation.** All school bus routes shall be evaluated annually for safety and efficiency by the local school district supervisor of transportation or designee.

(b) Boundaries.

(1) A change in transportation area made after July 1 of each year, will not become effective until the next July 1, unless all boards of education affected agree to the proposed change.

(2) An elementary area that has been assigned to a high school transportation area may be changed to another high school transportation area by mutual agreement, in writing, by the three (3) boards of education affected and the approval of the State Board of Education.

(3) A part or all of an elementary school district that is isolated from the remainder of the school district's transportation area because of topography or previous annexations to another high school district may be changed from one high school district's transportation area to another high school district's transportation area if the State Board of Education determines the change should be made on the basis of good administration.

(4) When a dependent school district is surrounded by an independent school district, that district must be designated as the transportation area for the high school students.

(6) Upon mutual agreement of two (2) school districts, a school district may cross a portion of another district provided the doors of the school bus are kept closed.

(c) Petition for changing boundary lines

(1) Seventy percent (70%) of the legal voters residing in a district who have children eligible to attend a public school (grades K through 12) or who have children under the age of five (5) may petition the State Board of Education for an election to change any part or all of a district from one transportation area to another.

(2) The State Board of Education will approve a convenient date for an election, supply ballots, and send a representative to assist with the election.

(3) If fifty-one percent (51%) of all such legal voters in the district vote for the change, the election makes a good recommendation to the State Board of Education.

(d) **Changing areas, high school districts discontinued.** High school districts and/or elementary school districts that must be placed in one or more high school transportation area or areas because a high school has been discontinued may be placed in a transportation area or areas on the following basis:

(1) All or part of District "A" may be placed in the transportation area of high school District "B", the transportation area of which is not adjacent to District "A", provided high school District "C", which has a transportation area that separates District "A" from District "B" transportation area, appears to be in jeopardy of being discontinued itself, and provided the number of people in District "A", who want to be placed in the transportation area of District "B", justifies such an arrangement. People in District "A" requesting these arrangements to enable them to annex to District "B" will be given much more consideration than those desiring to transfer only.

(2) No portion of a school district that is adjacent to a high school district's transportation area, but is separated from the high school area by a natural barrier, will be placed in the high school district's transportation area unless or until there is a road connecting the two (2) areas that is maintained in a manner that will justify the operation of a school bus over the road across the barrier.

210:30-5-6. School buses [NEW]

(a) Equipment.

(1) Transportation equipment used to transport ten (10) or more public school children at one time shall meet all the minimum standards required for Types A, B, C, and D buses.

(2) Vehicles having a seating capacity of fewer than ten (10) passengers, excluding the operator, are not required to meet the State minimum standards for school buses.

(b) School bus inspections.

(1) A driver shall perform a daily pre-trip safety inspection of the vehicle. The inspection shall include brakes, lights, tires, exhaust system, gauges, windshield wipers, steering and fuel. The driver shall make a daily written report describing the condition of the bus and listing any deficiencies. This report is to remain on file with the chief administrative officer of the local school district or designee of the chief administrative officer for a period of ninety (90) days.

(2) A driver shall perform a daily post-trip inspection of the interior passenger area of the vehicle to ensure that no pupils remain on the vehicle after the end of the route.

(3) A school district shall have each school bus mechanically inspected annually by an inspector approved by the Oklahoma State Department of Education.

(4) At least twice during each school year, each pupil who is transported in a school vehicle shall be instructed in safe riding practices, and participate in emergency evacuation drills. This instruction should be conducted during the first two weeks of each semester.

(c) School bus inspector qualifications.

(1) Any person licensed to inspect school buses by the Department of Public Safety under the Motor Vehicle Laws of Oklahoma prior to July 1, 2001, may be qualified to perform annual school bus inspections until July 1, 2014.

(2) Any person not meeting the qualifications as prescribed in (A) may be qualified to perform the annual school bus inspection by submitting proof to the Oklahoma State Department of Education that they meet one or more of the following qualifications:

(A) Two years' experience as an automotive technician and certification by the Association for Automotive Service Excellence (ASE) in medium-heavy truck brake, transit bus brake, school bus brake, medium-heavy truck preventive maintenance inspection, or transit bus preventive maintenance inspection; or

(B) Any person qualified to perform inspections under the Federal Motor Carrier Safety Act, appendix G, and accompanying regulations at 49 CFR 396.19 will be qualified to inspect any school bus except for the brakes. Persons qualified to inspect brakes under 49 CFR 396.25 shall be qualified to inspect the brakes on any school bus; or

(C) Successful completion of an Inspector's Training Course approved by the Oklahoma State Department of Education.

(d) Standards and school bus specifications.

(1) The NATIONAL MINIMUM STANDARDS FOR SCHOOL BUSES applies to school bus construction and equipment. The Oklahoma State Board of Education has accepted the various methods bus manufacturers use to meet the requirements of these standards and all requirements under the Federal Motor Vehicle Safety Standards. (P.L. 89-563) The responsibility for compliance with Federal and State bus specifications rests with dealers and manufacturers.

(2) State Standards in addition to Federal requirements also apply as follows:

(A) No school district may purchase any used or previously owned school bus unless the seller certifies prior to the sale that the bus meets all safety standards and specifications for the date of manufacture of the used bus. Any school district that purchases a used or previously owned bus without the certification regarding compliance with standards shall forfeit its state transportation aid. The seller of any used or previously owned school bus shall certify to the local board of education that any such transportation equipment meets all Oklahoma and National Standards required for the date of its manufacture.

(B) Church buses used for the purpose of transporting children to and from schools accredited by the State Department of Education shall be painted National School Bus Yellow.

(3) School districts that convert or have converted school buses to Liquefied Petroleum Gas (LPG) shall comply with safety standards prescribed by the National Fire Protection Association, Standard No. 58 (NFPA-58) and the Oklahoma Liquefied Petroleum Gas Administration. In order to ensure safe installation and proper maintenance of equipment, all personnel must also meet the following existing requirements of the Oklahoma Liquefied Petroleum Gas Administration: "No person, firm, corporation, association, or other entity shall engage in the manufacturing, assembling, fabrication, installing, or selling of any system, container, or apparatus to be used in this State in or for the transportation, storing, dispensing, or utilization of LPG, nor shall any transporter, distributor, or retailer of LPG store, dispense and/or transport over the highways of this State any LPG for use in this State in any system, container, apparatus, or appliance without having first obtained a permit to do so as provided..."

210:30-5-7. Transportation of special education students [NEW]

(a) Loading responsibility. The local school district is responsible for transporting children with disabilities whose IEPs require transportation by the school district as a "related service". This responsibility for transportation begins from the time the student is loaded at the "home curb" until returned and unloaded at the "home curb". The parent or their designee is responsible for "door-to-curb", "curb-to-door", and "street crossing" of the child to the designated loading and unloading point.

(b) Extended boundaries. Based upon mutual agreement between two participating school districts, a school district offering special education classes may extend its transportation program to include the transportation of students qualifying for special education in an adjacent school district which does not offer special education classes.

210:30-5-8. School bus driver certification [NEW]

 - (C) Each applicant has a health certificate on file signed by a licensed physician and meets all vision requirements;
 - (D) Each applicant has not been convicted or pled guilty to a felony in the last ten (10) years; and
 - (E) A driving record has been checked and meets State Board of Education requirements for certification.
 - (F) Notwithstanding the provisions of this paragraph, in order to renew any school bus driver certificate which has been expired for more than one year, a driver must successfully complete a renewal course approved by the State Department of Education. Such a course must, at a minimum, include topics on:
 - (i) Railroad crossings;
 - (ii) Emergency evacuation procedures;
 - (iii) Mirror placement;
 - (iv) Pick-up and drop-off procedures;
 - (v) Sound driving practices; and
 - (vi) Accident procedures.

(c) Certification of drivers with a monocular vision condition.

- (1) Individuals who cannot meet the vision requirements of this section in both eyes due to the presence of a monocular vision condition may apply to the State Department of Education for a waiver of the vision requirement in subsection (a) of this section as to one eye only.
- (2) No applicant shall be granted a waiver from the vision requirements of subsection (a) of this section for one eye unless the Applicant's monocular vision condition has been present and unchanged for three years or more prior to the application for a waiver.

(3) No applicant shall be granted a waiver from the vision requirements of subsection (a) of this section for one eye unless the Applicant meets all other requirements for school bus driver certification set forth in this subchapter.

(4) No applicant shall be granted a waiver from the vision requirements of subsection (a) of this section for one eye unless Applicant meets all of the following conditions:

(A) Applicant must possess a current, valid "intrastate" Commercial Drivers License issued by the Oklahoma Department of Public Safety;

(B) Applicant must meet all health requirements specified by federal and/or state law for possession of an "intrastate" Commercial Drivers License;

(C) Applicant must have been examined by a licensed ophthalmologist or optometrist within the 60 days prior to obtaining the Commercial Driver License and within one year of applying for the State Department of Education monocular vision waiver. Applicant must provide the State Department of Education a copy of the official Oklahoma State Department of Public Safety vision form documenting the examination. In addition, if not included on the official Oklahoma State Department of Public Safety vision form, Applicant must submit additional documentation, in which a licensed ophthalmologist identifies and describes:

(i) the nature of the vision deficiency, including how long the individual has had the deficiency;

(ii) the date of the examination;

(ii) whether the applicant's vision is stable;

(iv) the visual acuity of each eye, corrected and uncorrected;

(v) the field of vision of each eye, including central and peripheral fields, testing to at least 120 in the horizontal. (Formal perimetry is required. The doctor must submit the formal perimetry test for each eye and interpret the results in degrees of field of vision.);

(vi) whether the applicant has the ability to recognize the colors of traffic control signals and devices showing red, green, and amber;

(vii) the ophthalmologist/optometrist's medical opinion as to whether the individual has sufficient vision to perform the driving tasks required to operate a school bus.

(D) Applicant must demonstrate experience in operating a commercial motor vehicle (as defined by 47 O.S. §1-107.1, 1-107.2, or 1-107.3) for the 3-year period immediately preceding the date of this application by providing the State Department of Education with documentation of the Applicant's experience driving while under a monocular vision condition. Such documentation shall, at a minimum, include:

(i) for any applicant employed as a driver of a commercial motor vehicle, the DOT # or ICC# of Applicant's employer(s); for any applicant with driving experience as an independent motor carrier, a list of names, addresses, and phone numbers of customers for whom Applicant performed transportation services through the operation of a commercial motor vehicle on public highways;

(ii) a list of all dates (month/date/year) during the 3-year period for which Applicant performed services driving and/or operating a commercial motor vehicle, and the number of hours driven per week;

(iii) a list of all types of commercial motor vehicles operated by Applicant and gross vehicle weight rating ("GVWR") of each vehicle operated by Applicant;

(E) Acceptable forms of required documentation of the Applicant's driving experience described subparagraph (D) shall be limited to:

(i) A signed, notarized statement from the individual's present or past employer(s) on company letterhead; or

(ii) An affidavit by the Applicant.

(F) Applicant's driving history must demonstrate that Applicant, while driving a commercial motor vehicle during the 3-year period prior to the date the application is filed:

(i) Has never had a driver's license suspended or revoked for operation of any motor vehicle (including Applicant's personal vehicle);

(ii) Has never been involved in an accident involving negligence attributed to Applicant;

(iii) Has never received a citation or a moving traffic violation; and

(iv) Has never been convicted for:

(I) a disqualifying offense set forth in 49 CFR 383.51(b)(2); or

(II) more than one serious traffic violation, set forth in 49 CFR 383.5, which disqualified or should have disqualified Applicant in accordance with the driver disqualification provisions of 49 CFR 383.51; or

(III) no more than two convictions for any other moving traffic violations in a commercial motor vehicle.

(G) Applicants for a State Department of Education monocular vision waiver must immediately notify the State Department of Education Transportation Section of any arrest, citation, or conviction of any disqualifying offense or other moving violation, including involvement in traffic accidents, during the period that the application is pending.

(H) Individuals who receive the vision waiver to drive a bus for an accredited school in Oklahoma must submit to their employer a copy of a vision examination that conforms to Paragraph (c)(4)(C) of this section on an annual basis.

(d) Certification of drivers with diabetes.

(1) Any person with diabetes requiring insulin by injection shall not be eligible for a school bus certificate unless the individual possesses and maintains a diabetic/medical exemption from the Oklahoma Department of Public Safety (DPS) or the Federal Motor Carrier Safety Administration (FMCSA), and has met all physical examination requirements of subsection (a) of this section. Upon hire, exempted individuals will be required to:

(A) Self-monitor their current blood glucose level one (1) hour prior to driving and approximately every four (4) hours after that time while driving a school bus by using a portable glucose monitoring device with a computerized memory, and take corrective action if necessary;

(B) Maintain blood glucose logs, three months from the current date (or the date that insulin use began, whichever is shorter). If the employing district has cause to require a medical evaluation as authorized by sub-section (G), logs maintained pursuant to this sub-section must be provided to the medical doctor (MD) or doctor of osteopathy (DO) treating the individual. Blood glucose logs must be created by an electronic blood glucose meter that stores every reading, records date and time of reading, and from which data can be downloaded and printed.

(C) Carry a source of rapidly absorbable glucose at all times while operating a school bus; and

(D) Be examined annually by an Oklahoma board certified medical doctor (MD) or doctor of osteopathy (DO) who attests in writing:

(i) The individual demonstrates and has demonstrated a willingness to monitor and manage his or her diabetes; and

(ii) The individual is not likely to suffer any diminution in his or her driving ability due to diabetes.

(2) Superintendents or their designees who hire individuals who hold a diabetes exemption certification must keep on file in a separate medical record:

(A) A current copy of the diabetes exemption certificate of the individual;

(B) The contact information of the board certified medical doctor (MD) or doctor of osteopathy (DO) who is treating the individual;

(C) Record of the annual medical certification issued by the board certified medical doctor (MD) or doctor of osteopathy (DO) pursuant to sub-section (D) of this section; and

(D) Copies of any medical certifications obtained pursuant to sub-section (G) of this section.

(3) Superintendents or their designees shall not allow an individual holding a diabetes exemption certificate to drive if their blood glucose level is outside of a range of 100 mg/dl to 400 mg/dl one (1) hour prior to driving. If the individual's blood glucose level is below 100 mg/dl or above 400 mg/dl, then the operator cannot operate a school bus or transport school children as an employee of any school district until the blood glucose measure is within the target range.

(4) In the event an individual holding a diabetes exemption is involved in an incident directly caused by the individual's diabetic condition, the individual cannot operate a school bus or transport school children as an employee of any school district until the individual has been certified in writing as medically able to safely resume work related duties by the Oklahoma board certified medical doctor (MD) or doctor of osteopathy (DO) by whom they are being treated.
