Dear Oklahoma State Board of Education,

It is with full confidence that Broken Arrow Public Schools endorses the new Oklahoma State Standards in English Language Arts and Mathematics. Our confidence stems from the process through which the Oklahoma State Department of Education engaged multiple groups to participate in the writing, editing and advising, and final draft of these standards. The alignment of the standards to college and career ready skills, and the precise vertical alignment provide a much better roadmap for our teachers to use. We feel strongly that these standards will provide our students with a more rigorous and deep understanding of the concepts and skills needed to be equipped citizens and successful in college and career. We ask that you approve these standards as our new standards for schools.

Best regards,
